Dear Collectors, Dealers and Friends,

Enclosed is my mail auction #22, featuring an excellent selection of political and Presidential material. Sorry it's been over 6 months since my last auction, and over a year since my last button catalog -- but rest assured I've been active and busy. For this catalog I decided to include a large number of fairly inexpensive pieces to appeal to a broader segment of the hobby. There are also of course the rare 19th century and 3-D items for which my sales are so well known.

I take great pride in offering what are generally considered to be the finest quality mail auctions in the country. In terms of quality of illustrations, correctness of descriptions, and reasonable price estimates, there is seldom need for any apologies on my part. These points, coupled with the overall high quality of the items being offered, induce many first time customers to take part in my sales, even though they may not have done much buying by mail in the past. I pride myself on my reputation for integrity and fair dealings, and for the variety and quality of my inventory. I would urge each of you receiving this catalog to examine it, and if anything appeals to you as a collector or dealer, please let me hear from you.

For those of you who have not taken part in mail auctions, the rules are rather simple and are outlined below. Buying by mail is simple and easy. I look forward to hearing from you.

AUCTION RULES

1. Items are sold to the highest bidder at the bid price.
2. Bidders may place limit on maximum amount they wish to spend in auction.
3. Conditional bids are acceptable, such as "If I lose Item A, add $50 to item B", or "If I don't win Item A, accept the following bid(s)".
4. Telephone bids are acceptable anytime, or until calls cease on the closing date--- probably around 3 or 4 AM. Phone bidders must increase the current high bid by 10% or more. The phone rings constantly on the closing night. Calls made earlier in the day will get through much easier. I urge everyone to mail in a bidsheet in case you forget to phone.
5. Mail bids must be postmarked by the closing date.
6. Budget payments of three monthly installments are allowed. Please request this at the time of bidding. There is no service charge or interest on time payments.
7. All items are guaranteed genuine and as described. Any item may be returned for a prompt refund if not as described.
8. Estimated values are given for all items. You may bid higher or lower as you wish.
9. Items shipped upon receipt of payment.
